

Payroll Schedule

We pay every two weeks, with payments hitting your account every other Wednesday. For example, in December 2024, you'll get paid on the 11th and 25th but due to the 25th being a public holiday, we'll get your pay to you on the 24th. We've included the full payroll schedule for the coming year below, to make it easy for you to keep track.

Your First Payment

You'll get your first payment on the first scheduled Wednesday after you start working with us. After that, you'll fall into the regular two-week pattern.

Important Deadline: To make sure you get paid on schedule, your timesheets must be submitted and approved by midday on the Monday before payday. This gives our team time to process all payments accurately.
